

Low Moor - Clinton Co.  
Dec. 2, 1861 Iowa

Dear Friend Mr. May -

Enclosed, I send

My last (as I suppose) Quarterly Account, with  
"N. S. S." & "Hon. J. L. Tule" - I have receipted <sup>it</sup> on  
the supposition that it is satisfactory to  
you, & all concerned - If not so - before sending  
the bal. due (\$31.98) let me hear, & I will try to  
adjust with you. -

Owing to my lingering affliction of the pelvis  
I did not accomplish what I could have desired.  
Still, I have done something - & held some meetings  
not noted in the Lect. Some failed on acct. of bad  
weather - & failures of friends to appoint meetings  
as agreed. I (& Mrs. L -) are at present taking  
charge of the business of a friend - who is absent  
East. We may remain a few weeks - & intend to  
hold some meetings during the winter. Though  
the financial bond between us & the Society  
may be severed now - the cords of sympathy  
& practical effort will not, we hope, be altogether  
severed. We are exceedingly grateful  
to you for the interest you have taken in  
our relations to the Am. S. S. - & for myself I feel  
more than paid - & shall hope to do something  
more - how much, is uncertain, for I must

I hope the P. & S. script on the next pay strikes you in it does me - could not  
the matter be adjusted & our passing final receipts? CPB.  
Upon reflection - I think you withdrew my to stand only  
4 pms to A. S. S. - It is my fault for sending, & I shall be glad to  
adjust it.

P.S. - In sending you the  
a separate receipt (which  
I not virtually give receipts for, as I actually receive? I anticipate  
no trouble - it must occur to me, but it seems to me I have given you  
receipts for at least \$75.00 more than the \$150.00 for the year.

and Acct - receipted - also  
(see) for \$75.00 to the Boston Fund - do-

give considerable attention to the linchwood question.  
I confess, at times, this miserably conducted  
war, takes the talk all out of me. God forgive the  
notion that, with 30 years discussion of Human Rights,  
I can get no farther up - man in a death-struggle - then  
the talk of the slave - only on the basis of "Military necessity!"  
Blood! Blood!! Blood!!! Must, of necessity, be the  
baptism of such a people - with a century of Bank-  
-ruptcy thrown in. - But we mean to be hope-  
ful. Nations must submit to the logic of events  
I believe American Freedom will get to the ascending

In relation to the Acct-memo - I will  
add - Gourham's address is Clinton Town. "Thallan  
Thoston" - is given. Clinton County, might be added.  
I will depend on you to pay for "Whitcomb's  
Liberator - or for Acct. His full address is  
Geo. A. Whitcomb - Morrison Whiteside  
Ill.

During our Conventions last Summer - with  
Judge Lohr - I hired a carriage & found our  
own horse. The owner of the vehicle has lately dis-  
covered that we damaged it to the amount of \$100.00  
I pay, & placed it in this report. You are at liberty to  
express if not right -

I have a subscriber a tune for the Nonpareil  
which I will send to Pub<sup>l</sup> - the Relief Fund bureau.  
I believe you take charge of - so I send accordingly  
you can direct to us - at Clinton as  
usual, or here { Most truly yr - C. B. Campbell -  
if it occurs to you.
